WHACK
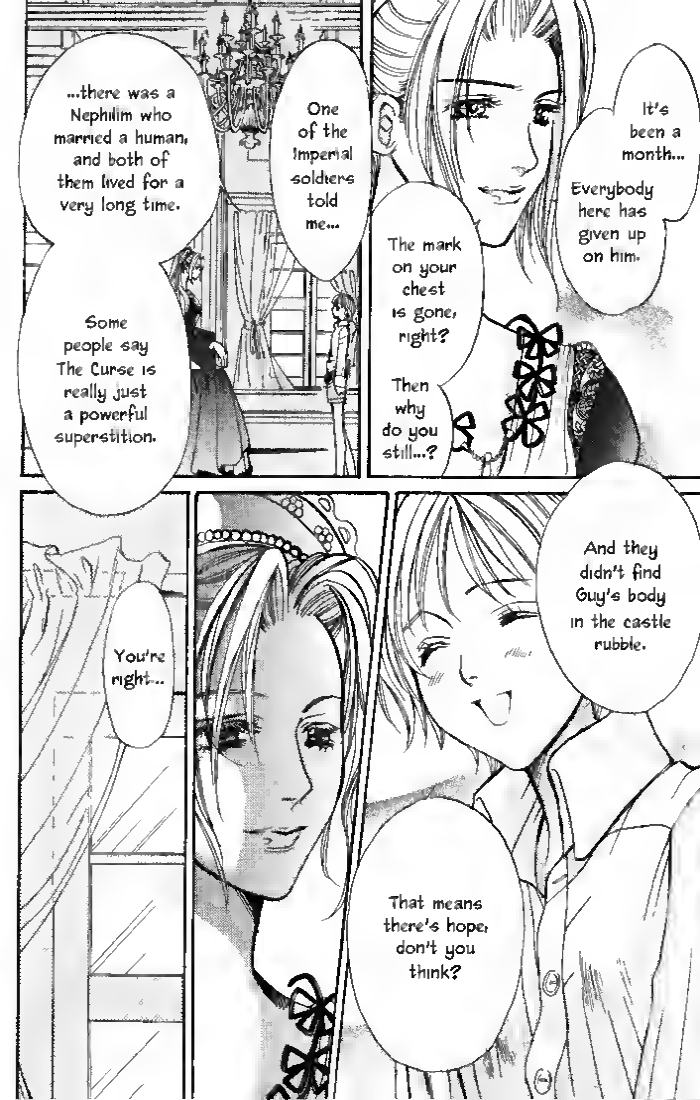
Urgh!

GRAB
Abel...!
Guy!
Quick... Grab the wall!
I can't hold you... much longer...!

Guy!!
If I fall...
...that means you killed me.

...I can't live...
...if you die.
Sorry... I wanted to be your husband, but...
I love you.
Guy...

Guy!!
So, you're really leaving...
Yes.
My injuries are healed. And there's nothing for me here.



It's been a month...
Everybody here has given up on him.
The mark on your chest is gone, right?
Then why do you still...?
One of the Imperial soldiers told me...
...there was a Nephilim who married a human, and both of them lived for a very long time.
Some people say The Curse is really just a powerful superstition.
And they didn't find Guy's body in the castle rubble.
That means there's hope, don't you think?
You're right...

He's the toughest man in the world.
He wouldn't die so easily.
He'll surely come back to you.
That's right!
To tell you the truth...
...I feel that he's still alive too.
...until I die.
I'll look for you...

Getting sick?

Well, even the Emperor or an elephant will sometimes get sick.
No. Only the weak get sick.
It gets pretty cold around here, and it's raining too... Why don't you stay in my hotel room tonight?

You're safe as long as you're with me.
Just wearing shoes doesn't make you human.
You'd better watch out for Nephilim hunters.

Mind your own business!
Even without a forest, I can find shelter.
Hmph! You should watch your own back

FLOP
Grrrr.

SPLASH
Don't make fun of me!
I can take care of myself anywhere!

I think I still have a piece of jerky that Guy gave me.

Guy...

ARRRGH!
What...
What am I doing...?!

I'm a Nephilim.
We're the incarnation of the heavenly sacrament.
We are most beautiful...
...and most noble.
So why am I..?
It's because of the humans.
The humans!
It's his fault.
It's all Guy's fault!

I'll kill him!
I'm gonna go kill him! Right now!

HUG
You don't have to cry.
You're already living in shame.
You need to live, so you can kill me.

I am a Nephilim.
But I'll buy you new clothes before that.
We'll reach enemy territory tomorrow.
What kind of clothes would you like?
I can't forgive this man.
Beautiful and noble.
...in his arms.
But it's so warm...
